Stiffness: R_m 1200-1800Mp

Tolerance: DIN 17222/75

SHIMS

COMPLETE SHIM CASES

We offer two pre-packed shim cases (No. 1 and 2) and one case for which you decide yourself what to include.

(NOTE! Shims on grey background are not included in case 1 and 2.)

Case 1 (180 shims)

The ideal light case for service technicians.

Shims type 1, 2, 3.

10 pcs of each thickness: 0.05 / 0.10 / 0.20 / 0.50 / 0.70 / 1.00

Complete case, weight: 4.8 kg

Case dimension: 370x305x190 mm

Part No: 12-0258

Case 2 (360 shims)

The case of choice when you need many shims.

Shims type 1, 2, 3.

20 pcs of each thickness: 0.05 / 0.10 / 0.20 / 0.50 / 0.70 / 1.00

Complete case, weight: 7.0 kg

Case dimension: 370x305x190 mm

Part No: 12-0259

Case 3 (shims of your choice)

Choose number of shims yourself. We recommend minimum 10pcs/model and always in numbers evenly dividable according to pack sizes as in table to the right.

Shims type 1, 2, 3, and 4 in dimensions of your choice.

Case weight, without shims: 3.2 kg

Case dimension: 460x350x175 mm

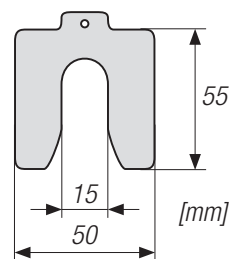

Part No: 12-0743

NOTE! Only case with interior.

SINGLE SHIMS AND SPECIAL MADE SHIMS

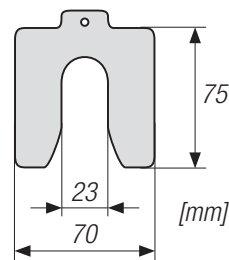

The shims are available in blister packs, see table to the right
Special made shims in other dimensions than listed to the right can be manufactured on request.
